### **The Parenting Center Welcomes Two Fort Worth Professionals to its Board of Directors**

**Fort Worth, TX** – The Parenting Center has accepted the membership of two Fort Worth professionals to its Board of Directors: Tricia Carter-Haber and David Ferguson. Tricia is currently an Investment Banker at Merrill Lynch and has two sons, Carter, 12 and Corbin, 7. As a mother whose two boys are her “most proud endeavor in community building,” Tricia is passionate about serving on the Board of The Parenting Center to benefit many families in the Tarrant County area. When she is not molding her boys into young men, Tricia actively serves on three boards – The Samaritan House, The Tarrant County Jewish Federation and the Ronald McDonald House.

As a Fort Worth native, David has understood the need for family services in his community and has a desire to make a positive difference in this aspect of an individual’s life. He has been very active in his church, North Davis Church of Christ, to address this need and is eager to continue this mission as a Board Member of The Parenting Center. He has served on the board of Pi Sigma Epsilon, a National Sales and Marketing Fraternity, and currently works as the Account Manager of Fort Worth-based Brumley Printing. When he is not busy serving the Fort Worth community, David spends time with his two adult children and youngest daughter who currently attends Texas Tech University.

Tricia and David join the new President of the Board of Directors, William Foust, International Marketing Director of BNSF Railway. Other members of The Parenting Center’s Board of Directors are Katherine Allen Weaver, William Butler, Nancy Cangelosi, Tom Chancellor, Steve Coxsey, Brent Davis, Pam Drenner, Sean Golden, Alan Hegi, Brad Jay, Stef Mauler, Earl Redrick, Beth Reintjes, Betsy Romero and Terri White. The Parenting Center offers the community valuable services that include parent education, counseling and in-home case management. A new year brings new challenges to the Board in preventing child abuse and neglect.
