#### Child Abuse Prevention Month

On Thursday, April 3, In-N-Out Burger Food Truck donated lunch to The Parenting Center and community to raise awareness about child abuse prevention.

This month and throughout the year, The Parenting Center encourages everyone to play a role in making Tarrant County a better place for families.

In 2013, Tarrant County reported that 5,689 children were victims of abuse and neglect. Our goal is to surround children with the type of support we all want to have. We do this because we believe strong families are the center of a strong community.
