

Position | Full-time Future First Educator

Program | Family Life: Future First

Reports to | Senior Director of Programs

Summary | The Future First project within the Family Life department was created to reach high school age students who may have a history of Adverse Childhood Experiences. This project provides a comprehensive approach to educate youth on contraception and abstinence for the prevention of pregnancy and sexually transmitted infections (STIs) through medically accurate information and promoting a healthy and successful transition to adulthood. This will be accomplished through encouragement of healthy communication, employment skills, healthy life skills, skills for employment, and financial literacy by utilizing the Dibble Institute's curriculum Love Notes EBP.

Responsibilities and Duties |

- Prepare for classes by reviewing materials and curriculum.
- Teach Love Notes EBP curriculum to students at area high schools.
- Distribute and input student surveys. Administer and grade pretests/posttests.
- Keep a high level of engagement with students.
- Create and maintain relationships with Tarrant county high schools and other youth-serving organizations.
