

Position | Empowering Students Educator

Program | Empowering Students Project

Reports to | Associate Director, Youth & Parenting Education

Who Are We | At The Parenting Center, we understand and appreciate that every family can use a helping hand, regardless of education, socioeconomic status, or what the term “family” means. We provide services to meet the ever-changing needs of children, teens, couples and families alike throughout that journey. We believe that creating confident, skilled, strong families directly strengthens a community.

- We are a highly collaborative, goal-oriented team that is passionate about serving our families well.
- We foster an environment of family and employee empowerment.
- We’re going to be upfront - the way we serve doesn’t suit everyone. If you’re a go getter with a passion for positively impacting the lives of families, we could be #TeamGoals!

Summary | The Empowering Students Project (ESP) Educator encourages, motivates, and provides information to high-school aged students. The ESP provides comprehensive trauma-informed, research based, data-driven services to improve youth relationship skills, understanding of the value of marriage, and improved budgeting skills. The target population to be served includes high-school aged youth in Tarrant County. This position includes occasional opportunity to attend evidence-based trainings, participate in local committees/coalitions that align with The Parenting Center mission, and assist in outcome evaluation.

Day to Day Functions | Follow all agency policies and procedures and all professional codes of ethics.

- Coordinate with schools under direction of Project Director to schedule workshops, enroll youth, provide teachers with support and connection to community services, and comply with data collection requirements.
- Present relationship education to groups with excellent facilitation skills to keep high level of engagement of students, with fidelity to curriculum.
- Administer internet-based surveys with students and ensure quality data collection.

Requirements | Bachelor’s Degree, a valid Texas driver’s license, own transportation with auto liability insurance, ability to work occasional nights and weekends

Experience |

- Experience teaching youth of any age in a classroom or community organization setting. At least one year experience preferred
- Knowledge of child development and child abuse prevention strategies
- Knowledge of teen development and healthy teen relationships
- Must have public speaking and group facilitation abilities
- Must be able to relate to teenagers from culturally diverse backgrounds
- Ability to maintain confidentiality regarding clients and agency business

Salary/ Compensation Package | On top of your \$40,000-43,000 annual salary, your benefits will include 3 weeks PTO, 10 holidays per year, various health insurance plans to choose from, HSA options, 401k (matched up to 5% of salary), and flex work environment. Through our HR partner, you can access the Employee Assistance Program, Educational Assistance Program, online access to professional development trainings, and a marketplace with discounts on travel, stores, restaurants and more.

Submission Instructions | Please submit your resume and cover letter to Kat Fahrenthold at kfahrenthold@theparentingcenter.org. Include "Future First Educator" in the subject line. Only electronic submissions will be accepted. Submissions considered on a rolling basis until position is filled.

Submission Deadline | Ongoing until filled
