OUR PROGRAMS

● ● YOUTH AND PARENT EDUCATION

PARENT COACHING

One goal. Two options. Designed to meet the individual needs of families with children between the ages of 3 and 16, our parent coaching programs provide you with the tools to talk with your kids, understand why they do what they do and ultimately strengthen your family's connections and create stronger bonds. Services are offered in-home and virtually in English and Spanish.

The **Nest Program** helps build up the trust and attachment between parents and their kids. Through the program, parents become more self aware and attuned to their children and behaviors. And, it all leads to a stronger relationship that helps empower kids and creates confidence. Parent coaches spend 10 weeks in each family's home or virtual visits, ensuring parents connect, correct and empower their children."

Our **Nurturing Program** allows each family to choose aspects of their plan to work toward a more unified family, from limiting screen time to building and creating schedules, and even parenting a child with ADHD. Call 817-632-5521 for information.

FREE PARENTING ADVICE LINE

Our trained staff members are standing by to assist you from 12 p.m. to 3 p.m., Monday through Friday for any questions about raising children. Call 817-332-6399.

EMPOWERING STUDENTS PROJECT

It's tough being a teen. In fact, it's downright complicated. There's the stress of high school, relationships, parents, the future. We can help simplify things a bit. Through our Empowering Students Project, TPC partners with high schools to bring relationship education to Tarrant County classrooms and students grades 9-12. They'll learn skills to communicate, handle conflict and understand healthy relationships. Call 817-632-5533 for more information.

FUTURE FIRST PROJECT

Put your future first with the Future First Project. FFP partners with Tarrant County high schools and community agencies serving adolescents 14 to 19 years old. Our purpose is to promote sexual risk avoidance and empower teens to take personal responsibility in their life planning. By providing comprehensive sex education, our teens are able to develop healthy relationships, receive medically accurate information to prevent STIs and reduce the risk of pregnancy. Call 817-632-5533 or email ff@theparentingcenter.org for more information.
